## ROME | 2013

October 17-19, 2013

[www.fipworldcongress.org](http://www.fipworldcongress.org)

PRELIMINARY PROGRAMME ONLY

*Subject to change*

The 2013 FIP World Congress of Podiatry is the premier foot and ankle conference of the International Federation of Podiatrists/ Federation Internationale des Podologues (FIP). Since its start in 1966, this world-class event is the largest gathering of international podiatrists who join together as colleagues, old and new, from over 40 countries.

Taking place October 17 - 19, 2013 in Rome, Italy, the congress will feature three high profile keynote speakers, over 100 lectures, numerous interactive workshops along with an impressive array of exhibitors from around the world.

What could be better? A once in a lifetime Roman holiday, and an exciting interactive podiatry conference that brings foot-care professional from around the world together in one location for the advancement and continuing education of the profession. CME/CPD credit hours will be applied for.
